MUSSON; ENOS SOCCER ALL CANADIANS

Paul Musson and Richard Enos of Concordia University have been selected to the Canadian Interuniversity Athletic Association All-Canadian soccer teams.

Musson, a midfielder, is a former student of Pierrefonds Comprehensive High School and John Abbott CEGEP. He played soccer on the West Island with the bantam and midget Lake St. Louis Selects before joining the Quebec Junior Selects. Paul is a first year Finance student at Concordia University and just completed his first year with the Quebec University champion Concordia Stingers.

Enos, who plays left wing, is in his fourth season with the Stingers. Like Musson, he formerly studied at both Pierrefonds Comprehensive and John Abbott before coming to Concordia. This year Enos scored the winning goal in Concordia's 2-1 Q.U.A.A. victory over McGill and set up Allan Pescatore's game winner in the Stingers' 1-0 win at U.P.E.I. in the C.I.A.U. Eastern final.

Musson was selected to the C.I.A.U.'s first team while Enos was a second team choice.
